**NO OTHER BOAT FISHES LIKE A
DEFIANCE BOAT!**

DEFIANCE 220 ADMIRAL POWERED BY  YAMAHA

10 REASONS TO CHOOSE DEFIANCE BOATS

1. OWNERSHIP IS ALWAYS WORRY FREE — At Defiance Boats we don't just tell our customers we make the best boats that money can buy; We back it up with a Lifetime Structural Warranty.

2. 100% WOOD FREE — All of our boats are 100% wood free in the structural areas of the boat. This is why we can offer a lifetime warranty. *No Wood, No Rot!*

3. HUGE FISH BOXES — Our customers catch fish! *That is why we include large, insulated fish boxes on all of our Defiance Boat Models.*

4. SELF BAILING DECK — All Defiance Boats feature self bailing cockpits for your convenience and safety.

5. REVERSED CHINE — Our Defiance designs incorporate a large reverse chine. *This provides stability at rest, while helping the boat to plane at lower speeds and get better fuel economy.*

6. STEEP DEADRISE AND SHARP ENTRY — Defiance Boats are designed with over 60° of entry in the bow and 21° — 22° in the stern to provide that wave crushing Defiance ride.

7. UNMATCHED FUEL RANGE — Every Defiance Boat is designed with the maximum fuel capacity to allow long safe runs offshore. *Combine this with our incredible fuel efficiency and you will see why it is so common to find Defiance customers 70 plus miles offshore.*

8. SEATING — All of our cabins are designed to allow for maximum seating for you and your crew. At Defiance Boats, comfortable seating comes standard.

9. FUEL EFFICIENT DESIGNS — Defiance Boats are manufactured with space age composite materials, large reverse chines and lifting strakes to allow our boats to plane easily and run efficiently at all varying speeds.

10. UNSINKABLE — All Defiance Boats are foam filled to provide added safety for our customers. Most boats over 20' in length have no foam flotation. At Defiance however, we fill every available cavity with foam so that you can be at ease out on the water.
